

# Cruise Craft

## Classique 600XL

CLASSY, RIGHT DOWN TO HER NAME, this cabin cruiser is a boat that emphasizes European style. From her intergraded swim platform to the acrylic cabin windows and doors which lead into the spacious cabin.

The half cabin features an impressive Vee berth and enclosed facilities for a marine toilet, with the upholstery in soft fabric tonings.

To the driver it is performance and economy, to the family it is a living room which also accommodates friends and loads of cargo.

The cockpit area accommodates deep moulded colour coordinated upholstery and carpet.

With all this packed in, it still drives like a sports boat.
