

Cruise Craft

Lazer 520 SR

S.R. — A Sports Runabout, that has been designed by Cruise Craft to offer the recreational boating fraternity a 90's era of styling and interior comforts.

If you like to fish, ski or cruise then the Lazer 520 S.R. combines sportiness with cruising features.

Some of the cockpit features are, carpeted floor throughout, colour co-ordinated upholstered back to back seats, deluxe under floor fuel tank and intergrated swim platform with boarding ladder.

Cruise Craft quality begins with design. Nichols Bros new Lazer 520 is built with a modified deep Vee hull to cut through all kinds of water and deliver a smooth ride. The **LAZER 520** with its long ranking forefoot, designed strakes, stepped planing plank and 20 degree Vee, combine to deliver a boat that gets up to the plane in a hurry and keeps you there efficiently and economically.
