

# The Cruise Craft Pursuit 625.

A Nichols Bros. Boat. Craftsmanship Since 1946.

A massive 2.4 m. x 2 m. cockpit holds deluxe, pedestal bucket seats for driver and navigator and two rear seats between engine-well and sides.

A tinted glass forward hatch lights the cabin softly and evenly. The windshield sports forward opening quarter vents for extra cooling breezes in the cockpit.

The Pursuit 625 is available with either sterndrive or outboard motor. Either way you'll have the power to get away in style and comfort.

Both fore and aft decks feature teak, non-skid battens. Another thoughtful and attractive Cruise Craft feature.

# Welcome Aboard The Pursuit 625.

Here's the combination that makes the Pursuit 625 every inch a pleasure craft.  
A large open, airy cockpit, a spacious foredeck stretching over  
the full beam and the big bonus; a craftsman fitted cabin.
