# You want it You got it!

THE  
**Sting**  
JET BOAT

# Feel the Sting

Hit the throttle, from a standing start you will feel the exhilaration and precise handling that can only mean one thing - you're in THE STING!

THE STING is the most exciting and innovative of modern jet boats, it is not a toy. With its 4.5 metre length, to a wide deep rise hull design, to the truly beautifully styled deck, THE

STING brings a whole new generation of excitement to life for fishing, skiing, or just having a good time. With its superquick top end speed of over 70 kph to its full 360° spins within its own length it simply blows the others away.

So hold on, brace yourself, you're about to Feel THE STING!
