

EXPLORER 575

Enter the mid range sports fishing machine, the Explorer 575. Fully featured and big on performance, the Explorer 575 lacks nothing when it comes to heading out to sea for a big days fishing.

Typical of the Explorer pedigree, the Explorer 575 model retains a generous sized cockpit, that is flat, broad and stable for extreme angling action.

The 575 is built strong with the dry riding deep vee hull that comes right in to its own when the going gets rough. And when the conditions do chop up and you need to rest and regroup, the cuddy cabin provides the perfect place to gain some respite from the conditions.

Easy to fish from, easy to handle and easy to launch... it's a pity that all boats aren't as good to own as the Explorer 575 from CruiseCraft.

SPECIFICATIONS

EXPLORER 575

Hull Length	5.712m
Length with Bow Spirit	6.097m
Beam	2.37m
Maximum HP	150hp
