**OUTSIDER 550**

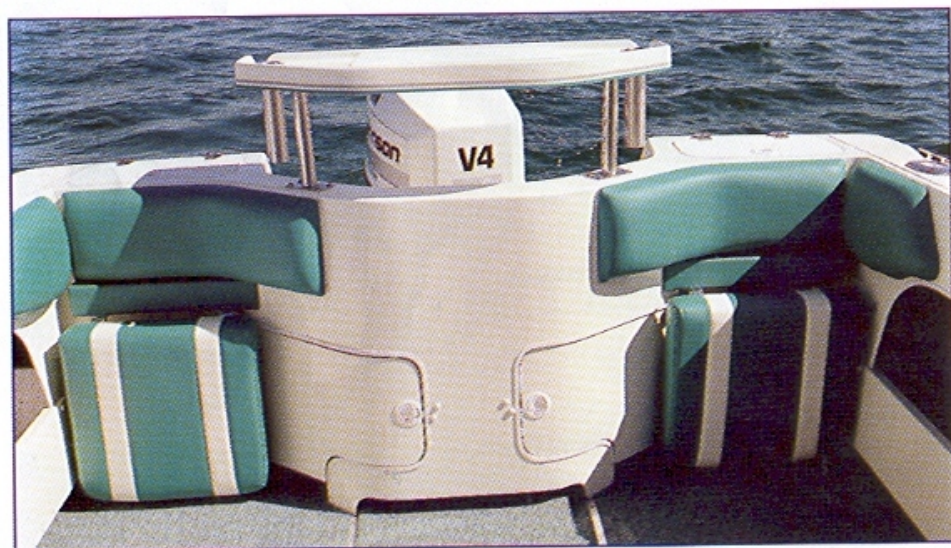

**1** A helm station to accommodate all your electronics - right where you need them. Note 2-way radio and fire extinguisher positions. Optional stainless steel windscreen rail for added security with the glass windscreen.

**3** Transom step and handle for easy access aboard. Engine motor well will accommodate up to 150hp with 25" leg. Optional stainless steel boarding ladder.

**2** Rear padded coamings with doors below for access to bilge, battery and oil bottle. (Note optional bait cutting board.)

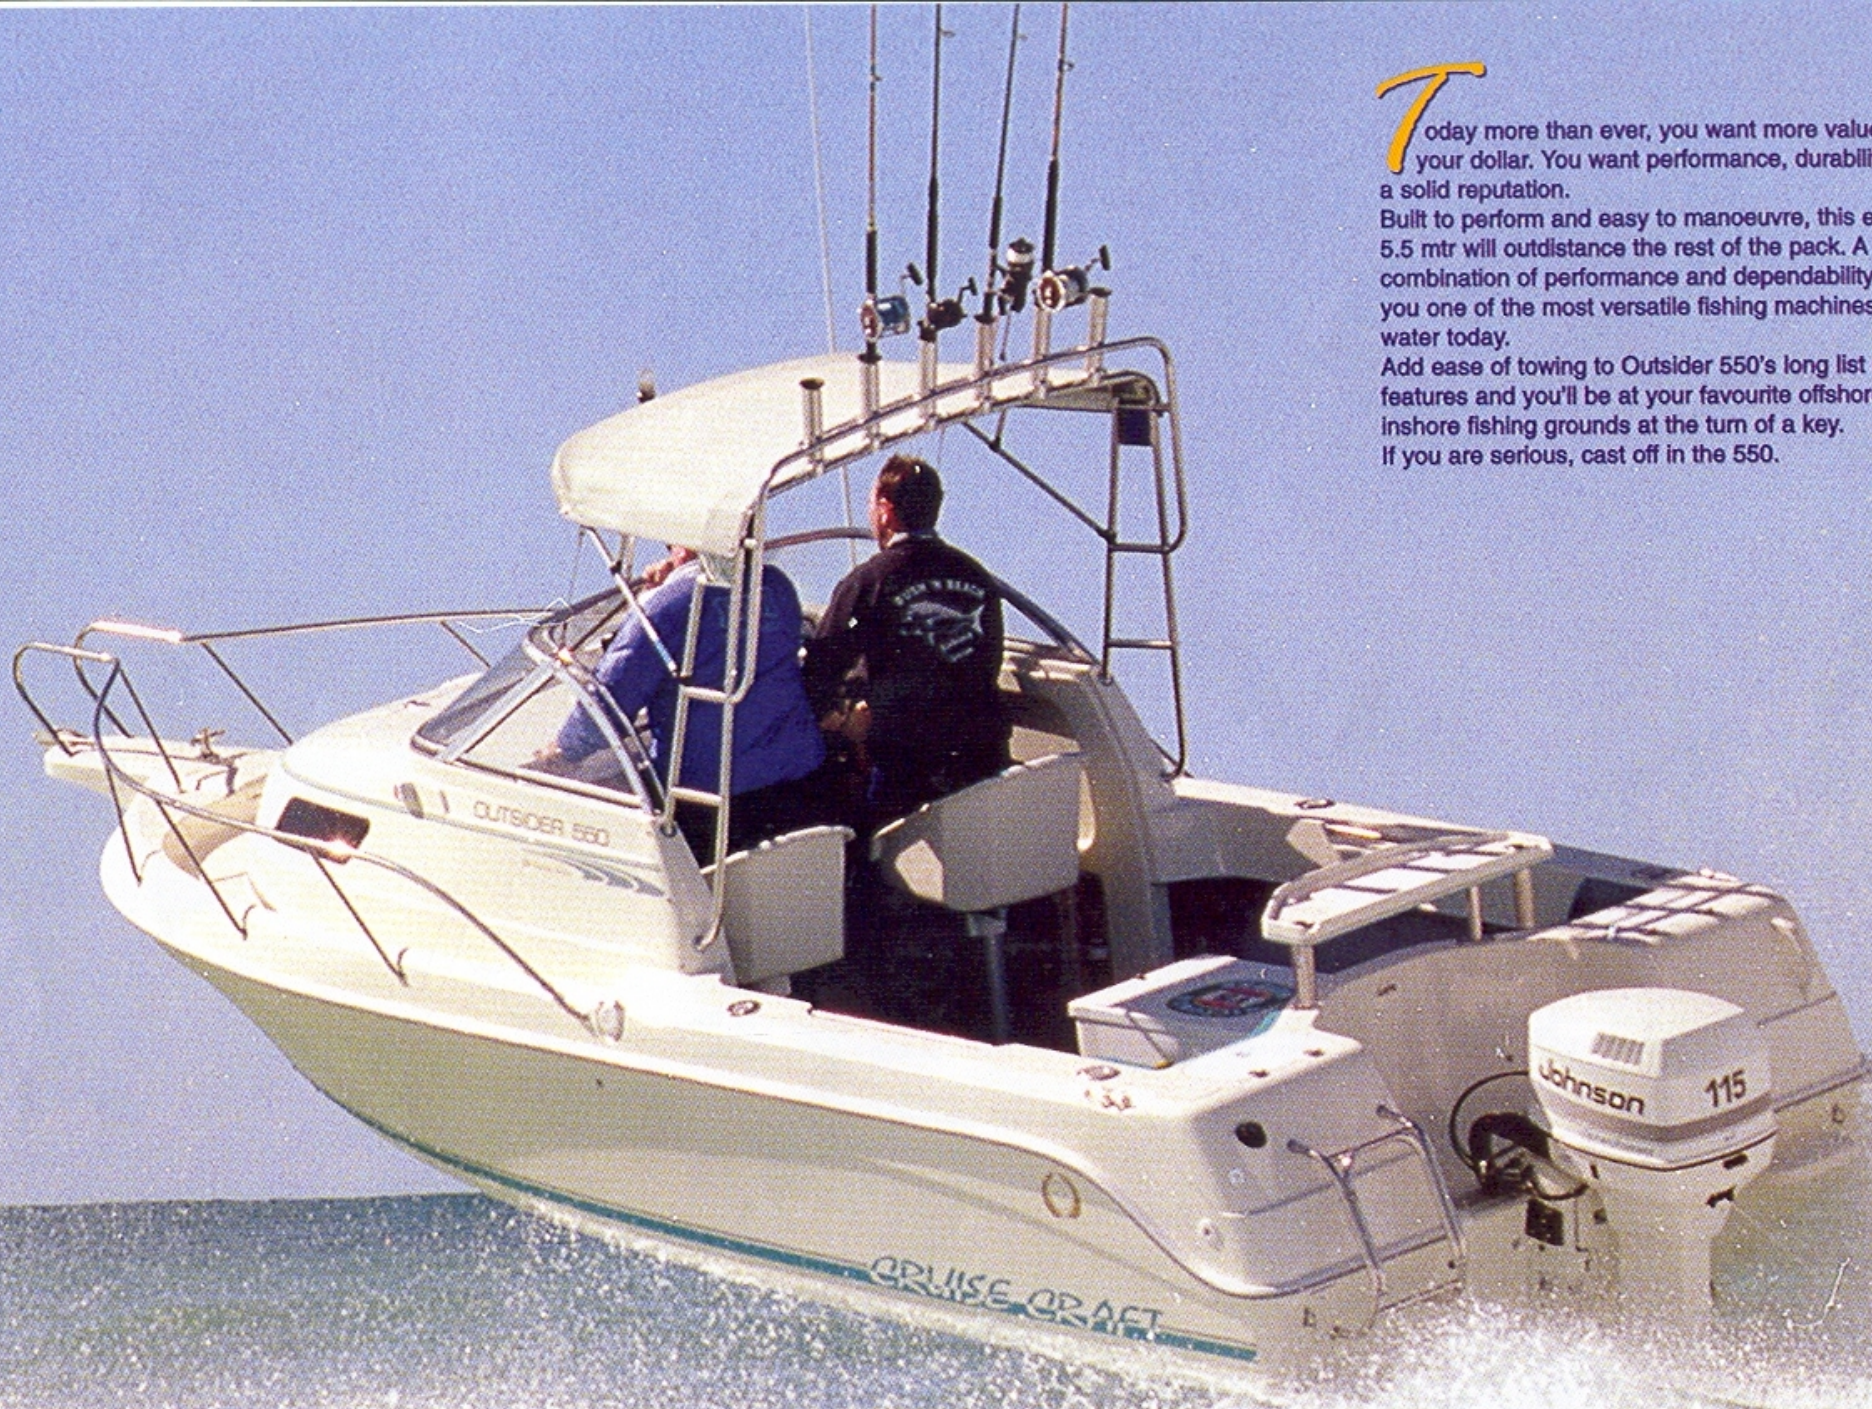

**4** Walkaround side decks give safe and secure access to fore deck. Note access hatch with inbuilt seat, bow sprit with bollard and roller fairlead plus the security of a stainless steel bow rail.

Today more than ever, you want more value for your dollar. You want performance, durability and a solid reputation.

Built to perform and easy to manoeuvre, this exciting 5.5 mtr will outdistance the rest of the pack. A combination of performance and dependability gives you one of the most versatile fishing machines on the water today.

Add ease of towing to Outsider 550's long list of features and you'll be at your favourite offshore or inshore fishing grounds at the turn of a key. If you are serious, cast off in the 550.

## Three Year Warranty

Subject to the conditions set out below Nichols Bros (the Company) warrants, to the original purchase, the hull described on this guarantee card against any defect in workmanship of materials designed for the boat.

The Company's obligation under this warranty is limited at the Company's options to making good at the factory or authorised dealer any part or parts of the boat as shall be returned with transportation charges both to and from the Company to the authorised dealer pre-paid and that on examination shall be found to the Company's satisfaction to be defective under the terms of the above warranty. The judgement of the Company's technicians on such defectiveness shall be final.

No warranty is given, either expressly or by implication to cover damage caused by fair wear and tear, misuse, negligence, accident, racing, or boats powered above the recommended motor h.p. rating listed on the boat.

This warranty does not extend to windscreens, gelcoat, engines, upholstery, accessories and fittings not manufactured by the Company or installation by others.

This warranty is expressly in lieu of any other warranty express or implied and is not assignable.

Please Note: Photographs and text may refer to non-standard specifications and fittings. The manufacturer reserves the right to change specifications and fittings without notice.

Towing is a dream, behind the family car that has a 1500kg capacity.
