This is the flagship of the Outsider range, the model that embodies the best of everything about blue water fishing into a magnificently functional, yet stylish, deep vee hull.

With this boat, serious angling families can head way offshore to where the big fish are found off the shelf. Your Outsider 685 can be rigged with your choice of single or dual outboards. The foam filled hull delivers added safety and a whisper quiet ride while the CE rating is your mark of export quality.

On board, the rig is generously appointed with an extensive inventory of fishing equipment. Then there is a plethora of optional gear that can be added to customise your Outsider 685 just the way you want; for extra comfort and great days of fishing.
