Outrider 685

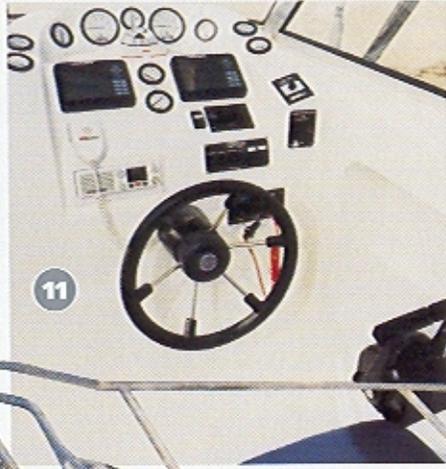

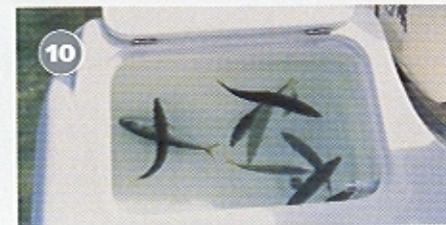

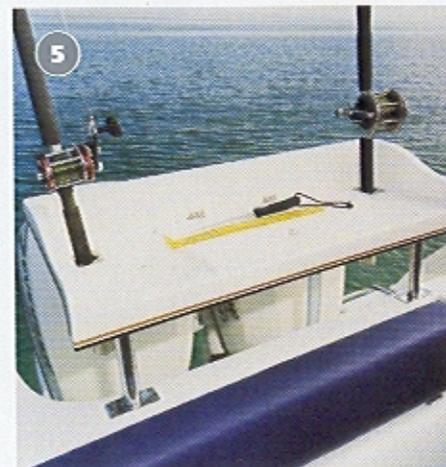

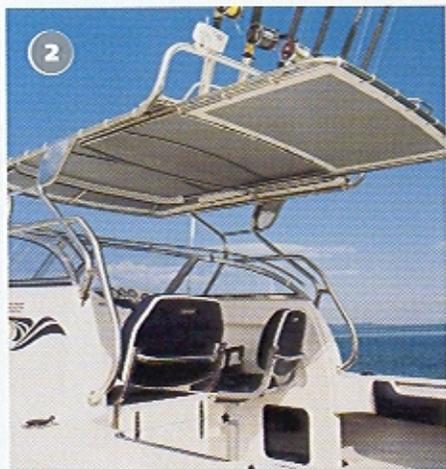

Cruise Craft

One look at the new 685 and it is easy to see the winning influence taking shape. Our competition helped us engineer the ideal mix of deadrise, planning plank and engine height for quick planning, crisp throttle response, unmatched efficiency, stability and manoeuvrability.

The transition from the raised bow to the workable stern deck is smooth. So smooth that you may have overlooked the raised cabin area as it blends into the cockpit.

The contoured cabin features spacious head room, under bunk storage, storage shelves, provision for portable toilet and ample bunk length.

- 1 Integrated S/S Ladder and Access Door with Optional Deck Wash
- 2 Optional S/S Targa and Sliding Extension
- 3 Electric Anchor Winch
- 4 Fold Away Rear Lounge with Backrest
- 5 Bait Board complete with Rod Holders
- 6 Under Floor Bins with Hinged Lids
- 7 Lock-up Cabin Doors and Hatch
- 8 Cockpit Galley with Sink and Stove
- 9 Galley in Stowed Position
- 10 Live Bait Tank
- 11 Dash Layout for Twin Engines and Electronics

Photos may depict standard and optional features – refer specifications.

Up front you will find the anchor locker, recessed non slip side decks to the dickie seat in the front hatch. Down aft recessed cockpit hand rails, walk through transom, engine well for single or dual outboards, intergraded boarding platform, boarding ladder, carpeted cockpit floor, padded coamings, recessed rear lounge, under floor storage, adjustable helm and navigator seats.

Fisherman and friends helped us fashion a dashboard layout that permits complete engine monitoring system as well as installation of indash electronics such as Sounders, GPS and Communications.

Where do you like to fish? Offshore in the blue water or the protected waters of the bay? The Outsider 685 is built to take the challenge.

**SKIPPERS
Love it...
FISH fear it!**
