

The Ultimate Outsider

Cruise Craft 750

It's day break. The tide is up and so are you ... for the early getaway. You are swept off your feet and out to sea in the 750's spacious cockpit. Your companions are safe and comfortable surrounded by fishability. Cruise Craft sacrifices none of the RIGHT STUFF™ in the ultimate package. The Outsider 750 Walkaround is built to handle big waters. A 23 footer with invincible offshore stamina, efficient performance and sea-smoothing hull dynamics. Its wide beam, modified V-hull provides a solid, stable and dry ride. The 360 degree walk-around cabin area and self draining cockpit offer plenty of fish-fighting room, which incorporates a large fish box, bait wells and lots of storage. In addition, features that would cost extra on most other boats are standard on the Outsider 750, features like stainless steel bow and grab rails, (4) stainless steel flush mount rod holders, cockpit courtesy lights, cabin side windows, galley, chemical toilet, to name but a few. With a list of optional extras and a transom suited for either single or dual installation, this trailerable 23 footer the perfect family sport-fishing machine. "IT'S WHAT YOU EXPECT A FISHING BOAT TO BE."
