RESORT 500

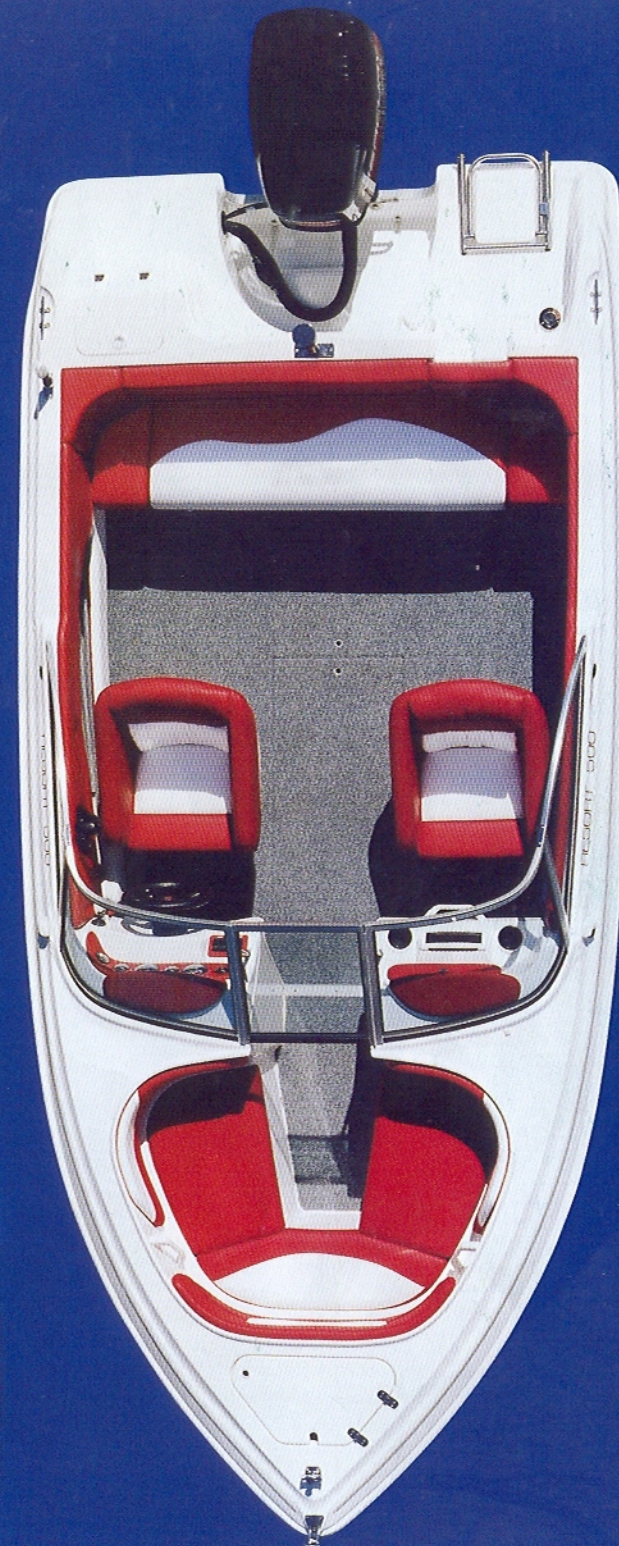

CRAFTSMANSHIP SINCE 1946

The Resort 500 is so beautifully designed, you could forget just how practical a bowrider is. Performance and spaciousness have been designed in this sensationally compact Cruise Craft. This exciting package has many luxury comforts as standard features, without excluding the ultimate in safety, performance and economy. The boat has a totally new hull, deck and transom design to which a wide range of engines up to 150hp can be installed. Share with your family and friends the pleasure of owning a Resort 500.

The instrument panel and controls are designed for operator access and vision. Driver and passenger comfort is further enhanced by the richly upholstered and contoured seats.
