# Cruise Craft

CRAFTSMANSHIP SINCE 1946

A combination of style and performance delivers a smooth dry ride with exceptional handling... just what you'd expect from first in Cruise Craft's new range of bow riders. This slick sports profile deceptively hides an enormous amount of onboard seating and storage which allows you more room to enjoy yourself.

Great space means there is easy access from the forward to main cockpits right through to the swim platform at the rear. Attention to detail is another important aspect in the ergonomically designed helm area with hydraulic steering and controls positioned for ease of operation.

## Gel Coat and Upholstery Options - (All other upholstery is standard beige)

White

## custom options

You can also have your Resort 6 custom fitted out from the extensive list of optional equipment. Then you will know it is right for your needs.

Redefining excellence... building on the experience of over 55 years of boat building expertise, the Resort 6 is the first in a new range of bow riders from Cruise Craft. Incredible performance in a spacious yet compact design is what this sports boat is all about.

Share with your family and friends the pleasure of owning a Resort 6.
