The versatility of Cruise Craft's Res R55 bow rider makes it a popular choice for water sports families. Roomy, stable, mild mannered and an exceptional performer that delights boating aficionados, the Res R55 can be seen on waterways virtually everywhere in Australia.

Lavish upholstery, carpeted floor, a bow compartment that invites passengers, large & removable rear lounge and a plethora of storage space... the Cruise Craft designers certainly hit the sweet spot with the Res R55. The hull is inspired by Cruise Craft's award winning underwater hull geometry, one which delivers exceptional rough water handling & ride.

The Res R55 is a quick to plane and tows skiers effortlessly. It's a wonderful picnic boat, particularly with the optional rear drop-in cockpit table fitted. Factory rigged with Yamaha power up to 175hp and delivered on a custom matched tandem trailer, this is an appealing rig both on the water and at home.

Bow riders do not come any better, than the Res R55.

Note - All heights, lengths & widths are based on an applicable CruiseCraft trailer
