Max No. Persons	7	
Fuel Capacity	160L	

**The Res R6 is the largest model in the Cruise Craft bow rider range. In fact it could well be dubbed the entertainer... or the skier, or the angler or cruiser, such is its flexibility.**

The term all-rounder does no justice to the Res R6 at all, as this rig performs stunningly in each of its various guises. Such is the design excellence of the Res R6, family boaters truly enjoy the benefits of four boats in one! Drawing heavily on the unique hull design parameters of the Cruise Craft blue water hulls, you can be assured of smooth, sure footed handling in the rough.

Capable of performing exceptionally with a Yamaha V6 outboard, the Res R6 is produced as a complete BMT package ready for the water. With a Yamaha 225hp kick-in-the-tail, everything else on the water will be left behind in your bubbling wake.

Note - All heights, lengths & widths are based on an applicable CruiseCraft trailer

**Disclaimer** - Specifications subject to change without notice. Pictures may show optional equipment
