Cruise-Craft

The Explorer 720 is the perfect blue water choice for the serious offshore angler, as well as the boating enthusiast family. With its abundance of standard features and available options, this boat can make any excursion a memorable day on the water.

With the Explorer 720, you can match it with the best anglers on board the dedicated game boats. Who would have thought that pound for pound, the trailerable Cruise Craft Explorer 720 could match it with the big boys of the ocean.

A proven Cruise Craft hull and exceptional deck design provides an even bigger fishing cockpit while a sliding lockable cabin door ensures ample room for overnight accommodation.

Boasting a pure Cruise Craft pedigree, the Explorer 720 is available with single or dual engines and is considered the benchmark for offshore fishing trailerboats in Australia.
