

ALSO AVAILABLE WITH HARDTOP & CLEARS

EXPLORER 635 HT

Designed with the serious fisherman and explorer in mind. The Explorer 635 Hard Top gives a lot of additional space and options to make your offshore experience or overnighting much easier and more comfortable.

Cruise-Craft

Designed with the serious fisherman and explorer in mind. The Explorer 635 Hard Top gives a lot of additional space and options to make your offshore experience or overnighting much easier and more comfortable.

The brilliance of the Cruise Craft design team is evident with this model...the cockpit in the Explorer 635 HT is wider than ever and inside the cockpit is a full length patterned fibreglass floor liner that extends up the sides to just under the coaming.

Stand three abreast at the helm, under the Hardtop. Enjoy unequalled protection from sun, spray and storms. The Explorer 635 HT model from Cruise Craft delivers on all counts.

Just like the other Hardtop models, Cruise Craft has incorporated sliding glass side windows for excellent flow of fresh air. The inside of the Hardtop moulding is smooth and clean for a sharp and fresh finish. Even more protection is available with the addition of the optional stainless steel sliding extension.
